### Directions for Pledging & Online Giving via Realm

#### To make a pledge online:

If you already have a Realm account, go to *onrealm.org* to make your pledge. Select *Giving*, then *Pledge*.

Note: This step alone does not affect any recurring payments or bank withdrawals.

It only communicates what you anticipate giving in 2024. Updating bank settings is an additional step.

#### To set up online payments:

In Realm, select *Giving*, then *Give*, then follow instructions for linking to your bank account or credit card.

You can make changes/edits to your payments at any time.

If you do not have a Realm account yet, contact the church business office for a registration link.

Thank you for using this service. It is helpful for our accounting and hopefully for yours, too.

Payment directly from a bank account means reduced fees for the church to pay.
