## Worship with us from home

We are all anxious to celebrate our communal faith together, but we are also committed to the physical health and safety of our church family and all of our neighbors. Due to the fluidity of the COVID-19 situation, Shandon's Reopening Task Force has held off making concrete decisions regarding a potential reopening date, including in-person worship.

**Join us remotely:** For information about how to join us from home for worship, go to [www.shandonpresbyterian.org](http://www.shandonpresbyterian.org) (worship and music tab).
